Vegan & GF
Check out our great range of Vegan & Gluten Free options on page 6.

Roasting fresh vegetables in our factory.

Our fresh produce is sourced locally.

When possible we always try to source New Zealand ingredients. For example our Basil is sourced from a farm in Cambridge and our veges are prep'ed and roasted in our Wigram, Christchurch factory.

FRESH RIBBON CUT PASTA

Made with quality flours and free range eggs, our ribbon cut pastas are used in food service and quality restaurants around Aotearoa.

Did you know the green, white and red of tricolore comes from the colours of the Italian flag?

All of our pasta is made in Christchurch.

Made in our Christchurch factory with care.

We are continually investing in our awesome team and factory plant so that we can continue to create quality, artisan-style products.

FILLED PASTA (FROZEN)

We use locally sourced fresh produce in our fillings and then encase it in thin sheets of pasta. The hand-cut appearance of our filled pasta makes for an authentic appearance when plated.
